## Lloyd Grolimund

God is blessing the work of The Aussie Pastor in powerful ways. Our team is being used to share the gospel across the globe, and we continue to hear incredible stories of His power at work. Remarkably, more Muslims watch our programs than any other group. From every corner of the world, The Aussie Pastor Ministry is shining the light of Jesus to millions. We give all glory and thanks to our Lord Jesus for opening these doors. But the reality is — resources are limited. With more funding, we could significantly expand our reach. Our organic growth is strong, but with additional support, we could take the message of Jesus to even more people. We have bold plans for the future. We're preparing to launch major mission outreaches, especially in unreached towns and villages across Australia. The task is great, but with God leading and your partnership beside us, there are no limits to what we can achieve. Thank you for being part of this journey.

Aussie Pastor

I've done some very bad things in my life, and I've lived immorally for a long time. I was deeply lost and empty inside. I tried serving my old religion, but it felt like I was trying to find life in a dead god. The more I tried, the more frustrated and hopeless I became. One day, in desperation, I went online and began searching for the truth — searching for a God who was real, a God who actually cared. That's when I came across the Aussie Pastor. Through his preaching and ministry, I discovered a God who is loving, merciful, and alive. A God who knows my struggles, sees my brokenness, and still welcomes me with open arms. Through the Aussie Pastor's ministry, I found Jesus — the true and living Savior. My life hasn't been the same since. The guilt and weight of my past have been lifted, and my heart is now filled with peace and gratitude. I am so thankful for the Aussie Pastor and the team that serves alongside him. They pointed me to the One who can save, heal, and restore. Today, I walk with Jesus, knowing I am loved and forgiven. I will always be grateful for the Aussie Pastor Ministry — a ministry that changed my life and gave me a new beginning.

# Help Us Reach Alice Springs with the Gospel

Alice Springs, a town with a population of 33,990, is home to a vibrant community, including a significant Indigenous population of 13,587 people. Despite its rich cultural heritage, the town faces challenges such as limited access to resources and services.

We aim to raise $20,000 to bring the message of Christ to this community. Your generous tax-deductible contribution will enable us to:

- Host an Outreach Mission
- Provide Bible Studies, names and contacts to the Adventist outreach team in Alice Springs
- Share the gospel message that leads to decision and baptism.

Your partnership is crucial in making this Outreach Mission possible. Together, we can make a lasting impact in Alice Springs.

I first heard the Aussie Pastor on Faith FM and decided to go and meet him at the "Live" seminar called Proof of God in Coffs Harbour. As a tradie making good money, I always felt I had no need for religion or God. That all changed when my sister was diagnosed with a rare brain cancer. Just before she died, she asked me, "What happens next?" and I had no answer to give her. During the meetings in Coffs Harbour, Pastor Lloyd Grolimund — the Aussie Pastor — shared a message that changed my life. He showed me how much God loves me and how I can have the gift of eternal life with Him in Heaven. It was like a light switched on in my heart. Today, I am so blessed to have found Jesus. He has changed my life completely, and I am grateful every day for His grace. Thank you, Pastor Lloyd, for pointing me to the Savior and giving me hope for eternity. - Anon, Coffs Harbour

For many years, I was trapped in a life of immorality. Everything I did was driven by the desire for another hookup, and deep down, I felt ashamed and broken. I felt so sinful, and I was sure God would never want someone like me. The guilt and emptiness led me into depression, and I turned to alcohol and drugs to numb the pain. My relationships were falling apart, and I felt completely unloved and alone. Then one day, I came across a podcast from the Aussie Pastor. As I listened, I heard a message I desperately needed — that God still loved me, no matter how far I had fallen. It was the first time in a long time I felt a spark of hope. Slowly, I began to turn to God. I managed to quit the drugs, and now I'm working to give up alcohol as well. Today, I know that God is real, that His love is stronger than my failures, and that He has a purpose for my life. I want to live for Him now and forever. - Anon, North West Sydney
